SOURCE: Sections 736.80 to 736.85 appear at 45 FR 5662, Jan. 24, 1980, unless otherwise noted. Redesignated at 50 FR 1814, Jan. 14, 1985.

§ 736.80 Appeal procedure.

The depositor, holder of receipt or the warehouseman may make an appeal as to the grade of a lot of grain stored or to be stored in a licensed warehouse. If the original grade certificate was issued by an inspector licensed under, or authorized by, the U.S. Grain Standards Act or the Agricultural Marketing Act, the appeal, including the amount of fees, shall be governed by the regulations issued under those Acts respectively; otherwise the appeal, including fees shall be governed by §§ 736.81 through 736.83.

§ 736.81 Request for appeal.

A request for an appeal inspection by a depositor or holder of receipt must be made by written notice to the warehouseman before the identity of the lot of grain has been lost and not later than the close of business on the first business day following furnishing of the statement of original grade or if the appeal is requested by the warehouseman, notice must be given promptly to the owner of the grain. Oral notice may be made if followed by written notice. Where it is not practical for a warehouseman to maintain the identity of all grain being received for storage until depositors receive a statement of grade and consequently opportunity for appeal, any depositor or his agent before or at the time of delivery of his grain may request the warehouseman to retain the identity of such lot until said depositor has been furnished with a statement of grade for the lot and has waived or requested and received an appeal inspection grade. The warehouseman need not preserve the identity of the lot in the original carrier; but with the knowledge and consent of the depositor or agent may use other means to preserve such identity. Further, if compliance with such request would adversely affect receiving, storing or delivering the grain of other depositors, the warehouseman may defer unloading such grain until
